Wait a moment, I'm changing the lens.
Hey
You're not really her manager, are you.
Huh?
I am... training to become her manager. More or less.
Ahaha! You can stop that. You can't fool models of our caliber with that.
Well...
Ah, I see, is that so.

But Rika seems so serious about you?
Oh, for real?
N-No, I'm not.
So
I wonder if you're her boyfriend?

I wonder if she really is...

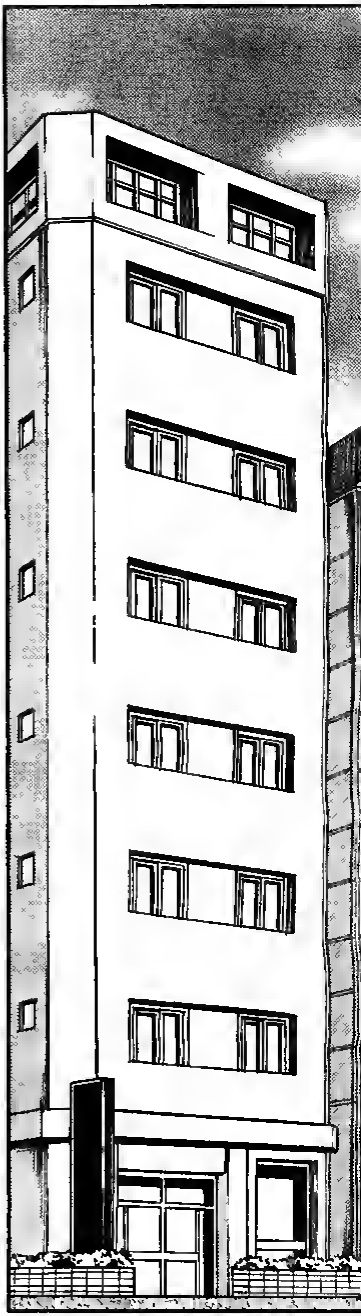
OK, to the next one!



I want you to see me at work.

Compared to how she usually acts
She's really different when it comes to work.

We were taking photos for a catalogue today, so we had to be efficient.
And this studio isn't for free, you know.
Thanks for waiting, Wataru!
Oh, you're already done?
All right, I'm rushing back to the editorial department!
Hm. I guess I'm fine with these.

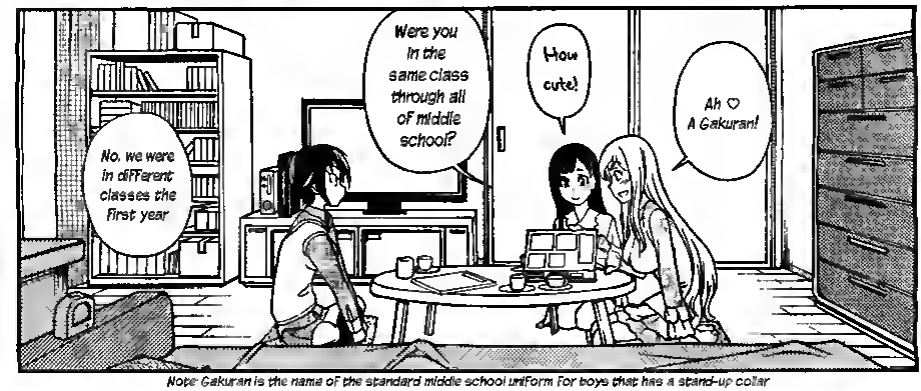
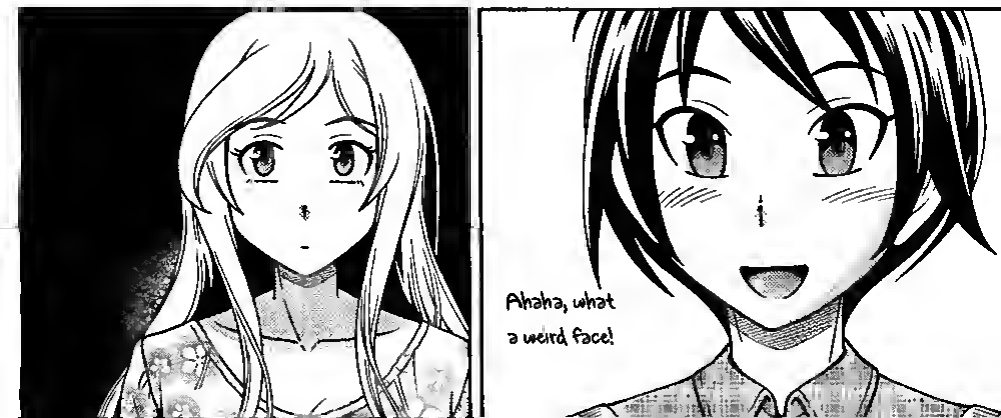
I could hear everything you said before.
I can tell you're lying.
However, that we get to finish this Fast is pretty rare.
Rent is paid For another 30 minutes.



Were you in the same class through all of middle school?
How cute!
Ah ♡ A Gakuran!
No, we were in different classes the first year

Note: Gakuran is the name of the standard middle school uniform for boys that has a stand-up collar



As I expected, the time you've spent with Wataru is a big advantage.
Even if you say so...
I'm just telling the truth.
No matter what we do, we can't fill up that gap.
That's true, but...
I wonder what Wataru's doing right now...

What the heck am I doing.

Your parents' company, that's Aikyou Cosmetics, right? Isn't that a first-class business?
That's right... But for me it's just a place to gain experience.
OF course I'm grateful for that, but...

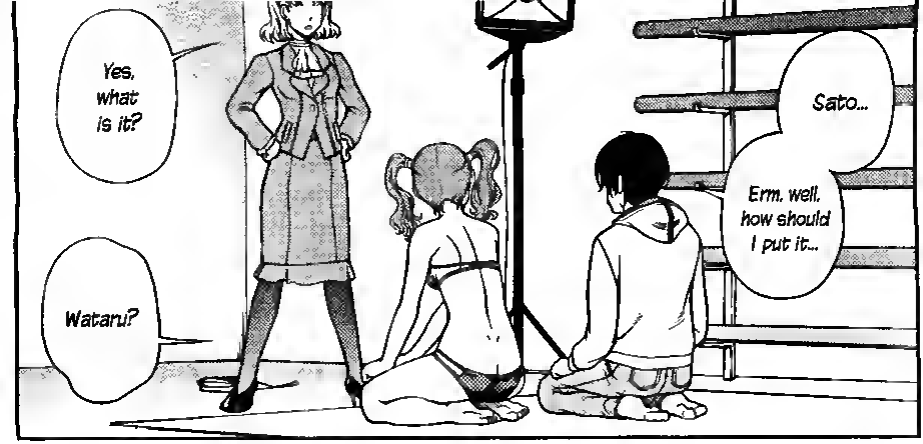
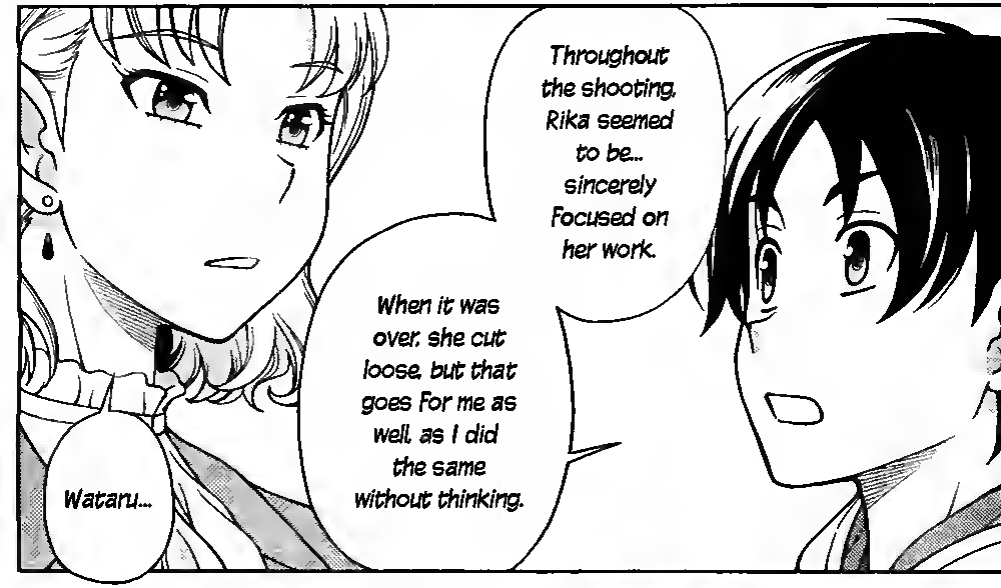
Quit acting like a baby!!!
I'll slap you!!
But she's already slapped her that much...

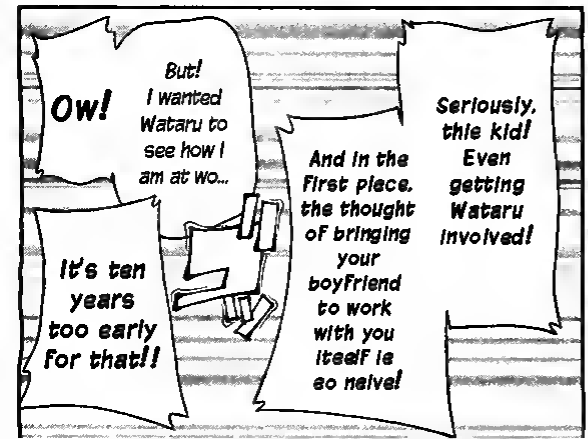
Don't make me laugh. telling me you want to be independent with this lenient attitude!!
If you can't do it by yourself, just do as your mother says!!
IF I do that, everybody will go like "It's thanks to her parents' influence!!" And I absolutely don't want that!!
But it won't get too late if you gain some experience through an exclusive contract with us first, will it?
No... I don't want to become your company's poster column..
!



Yes, what is it?
Wataru?
Sato...
Erm, well, how should I put it...



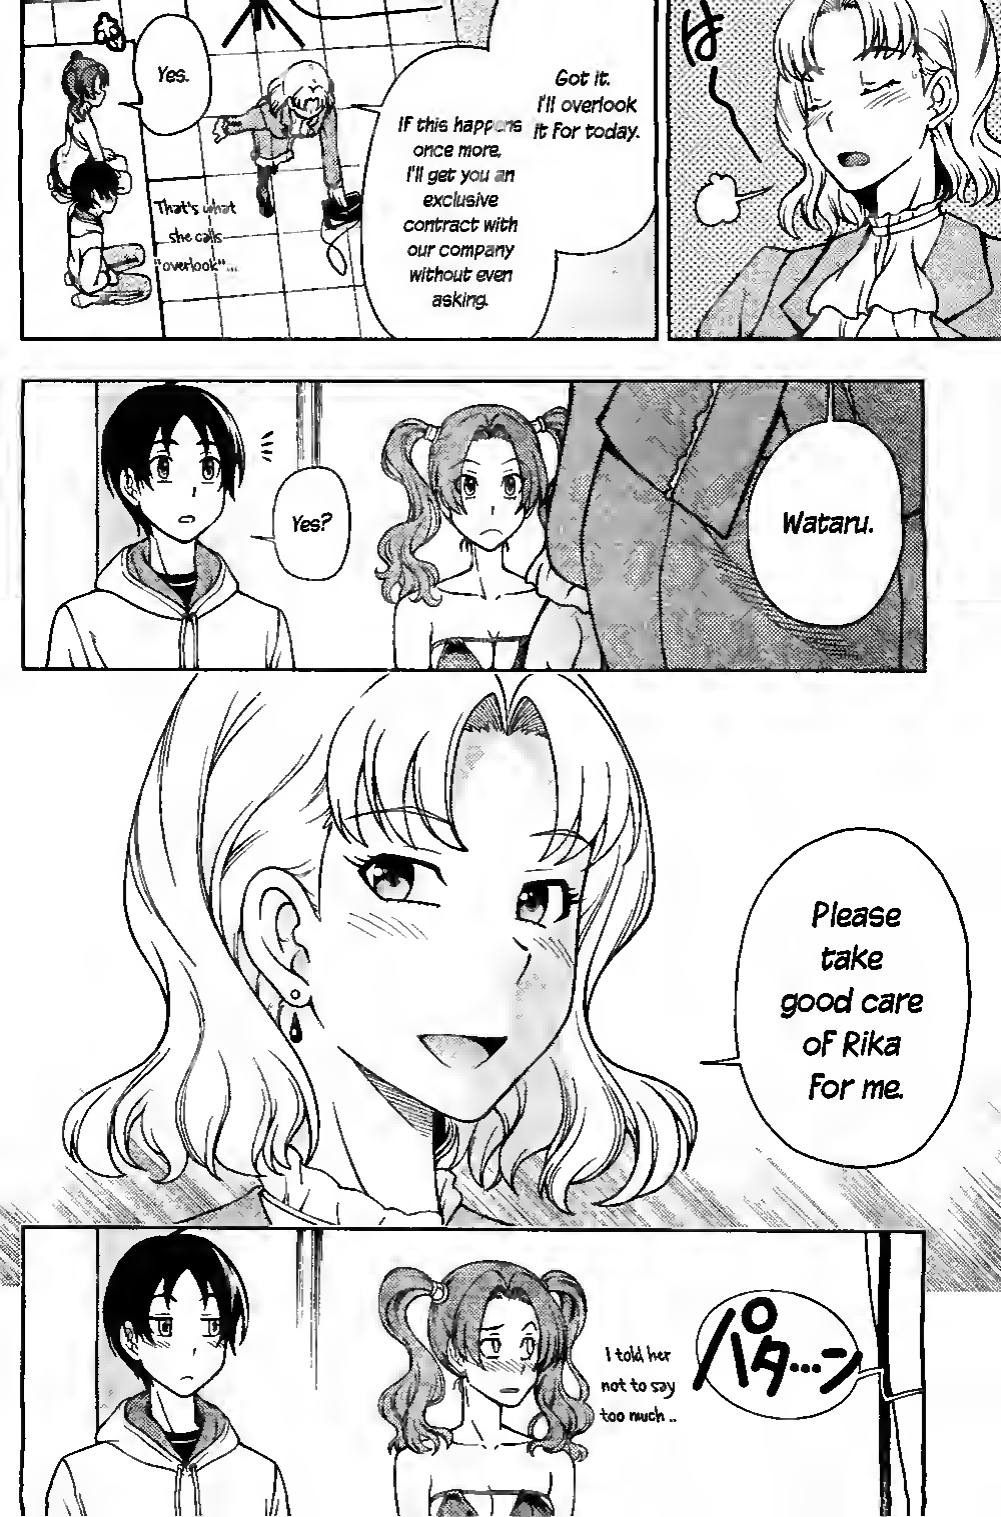
Throughout the shooting, Rika seemed to be... sincerely focused on her work.
When it was over, she cut loose, but that goes for me as well, as I did the same without thinking.
Wataru...



Ow!
But! I wanted Wataru to see how I am at wo...
It's ten years too early for that!!
And in the first place, the thought of bringing your boyfriend to work with you itself is so naive!
Seriously, this kid! Even getting Wataru involved!

Why !?

Erm, I think you can stop now.
And I sort of understand Rika's wish to be independent.
Because I'd also like to be able to support myself as soon as possible.
It might be a naive way of thinking, but I don't dislike it.

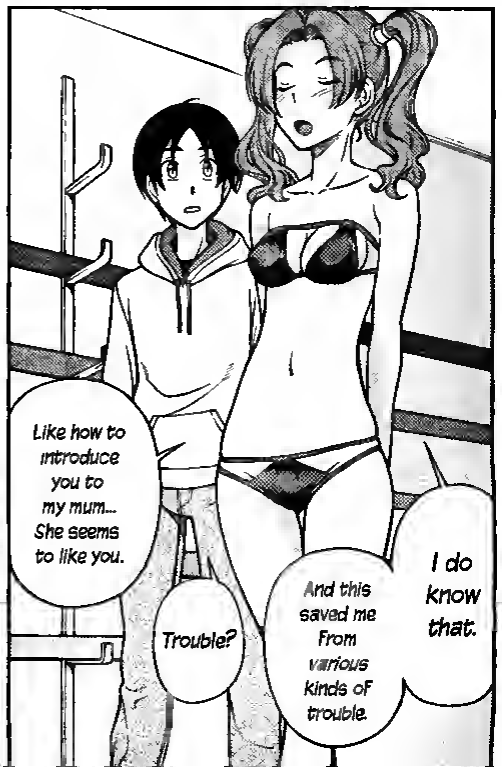


Yes.
That's what she calls "overlook"...
IF this happens once more, I'll get you an exclusive contract with our company without even asking.
Got it. I'll overlook it For today.
は～
Yes?
Wataru.
Please take good care of Rika For me.
I told her not to say too much..
パターン

Ouch... It still hurts.
Geez, can't that old hag be a bit more easy-going?
You shouldn't talk about her like that when she worries so much about you.

And next is "my dream" and stuff.

I really am serious.
I want to become a full-fledged model and start my own agency before I'm 25.

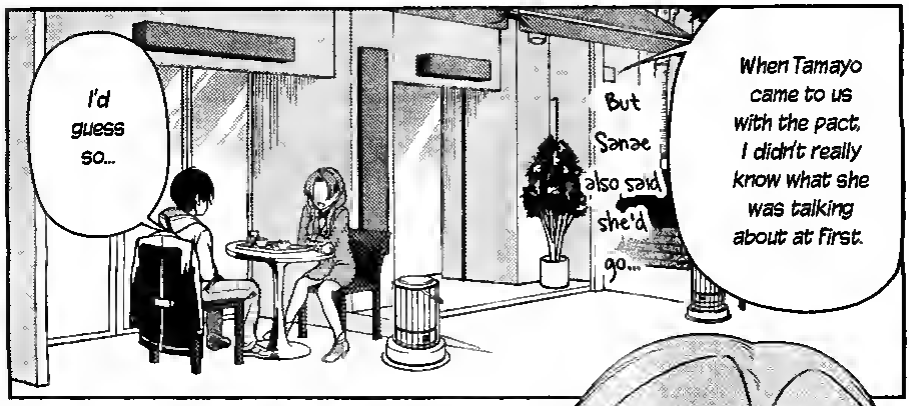


Like how to introduce you to my mum... She seems to like you.
Trouble?
And this saved me from various kinds of trouble.
I do know that.

I want to become at least a bit like her.
There's a person I've set as my goal.
...I see.

And that's why I want a partner.
But I can't do that alone.
Someone who's by my side no matter what.
A partner just for me.
That was close!
You're not really reflecting on anything, are you.

To be honest...



When Tamayo came to us with the pact, I didn't really know what she was talking about at first.
But Sanae also said she'd go...
I'd guess so...

But today, I really got it!

Ah, right. I'll show you something good.

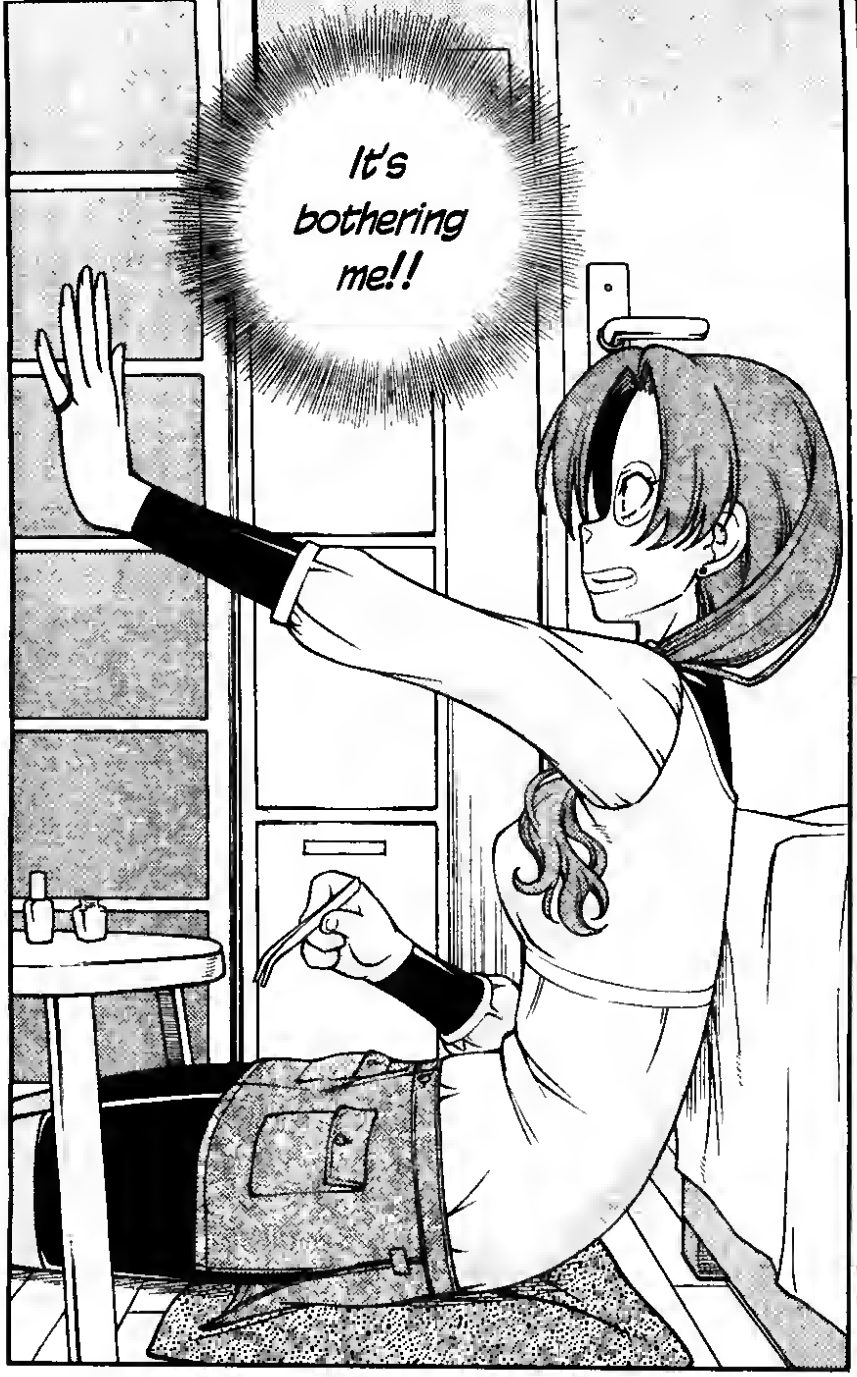
Including the one who's not here.



It's bothering me!!

I wonder how the date last week went.
Wataru just told me he'd been dragged to a photo shooting.

I don't think this woman just went on a simple date without doing anything.
But it also looks as if Rika is just having fun.

She's scary, that girl.
You never know what she's up to.

Hahaha, no, sorry Wataru.
Excuse me. Is something the matter..?

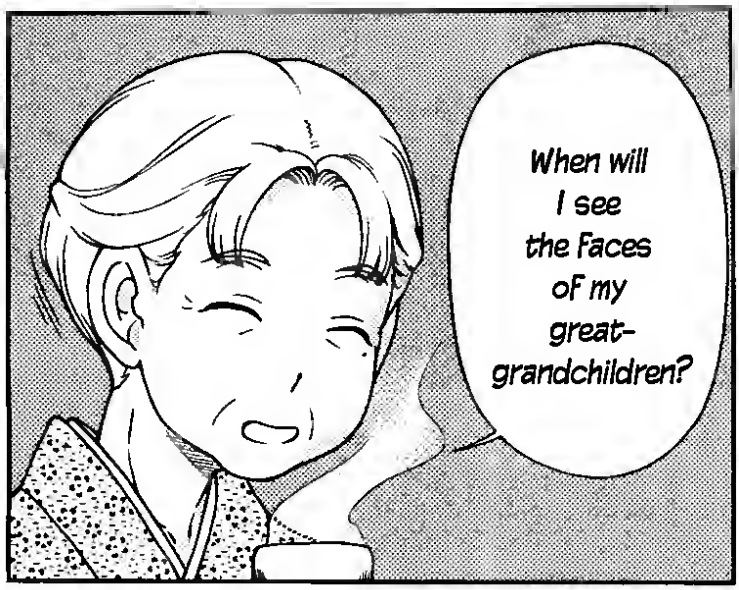
Ah, oh, right, you're called Kaneda now, aren't you.
Ah, yes, I'm Kaneda.
You really look a lot like Nobukazu... I mean, that Yukimizo guy.
Wait a moment, Hitoshi!
Yes, just as if time had turned back.
Sato said the same thing.
Do I resemble him that much?

Great-grand-children.



When will I see the faces of my great-grandchildren?

Nobukazu was really popular back in school...
He once was seeing 8 girls at the same time.
Oh right, right, they called him "the serpent".

Why the heck is she looking at me?!!

Don't worry Grandma, it won't be too long.

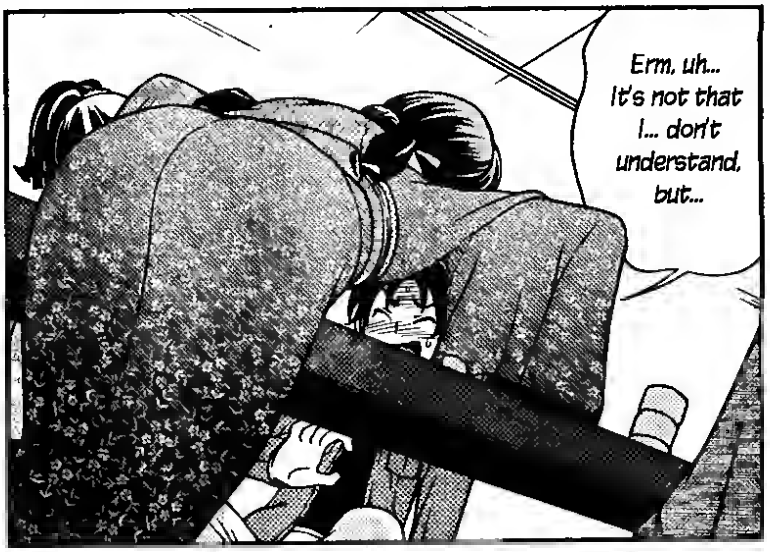
We need an heir as soon as possible!!
Even if you say so...
Come on, Katsuno, can't you see you're bothering him? And they're still both in school, too.



Erm, uh... It's not that I... don't understand, but...

WE NEED AN HEIR!
Being told that is kind of bitter...

You should have tried harder making children, Hitoshi.

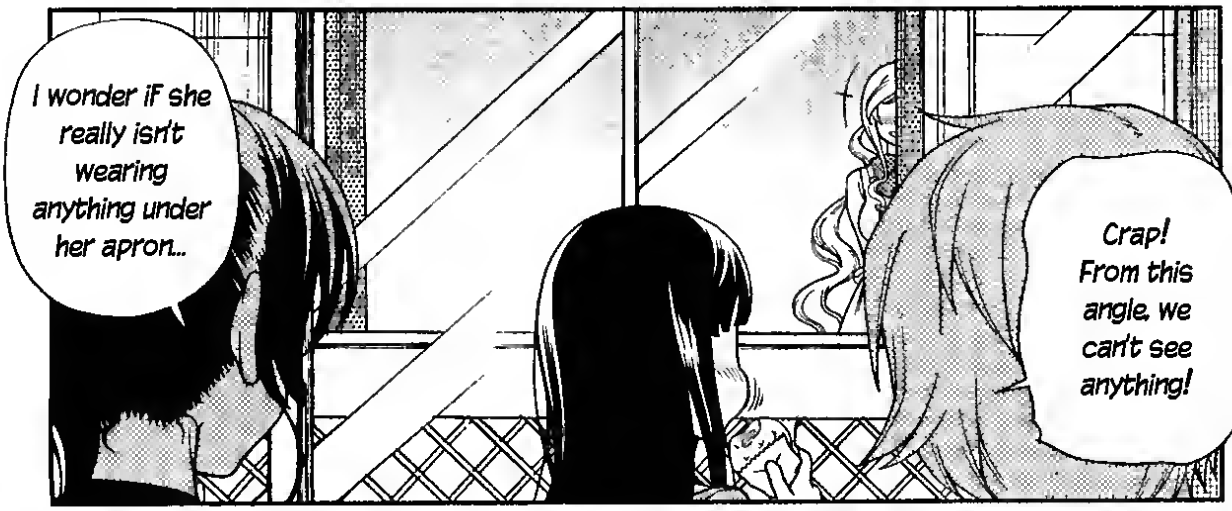
How is it? Is your work going smoothly?



I wonder if she really isn't wearing anything under her apron...
Crap! From this angle, we can't see anything!

Hey, what are you doing?

I do see that.

Hello Miki, thank you for your work.
Yes, I can see through most of it.

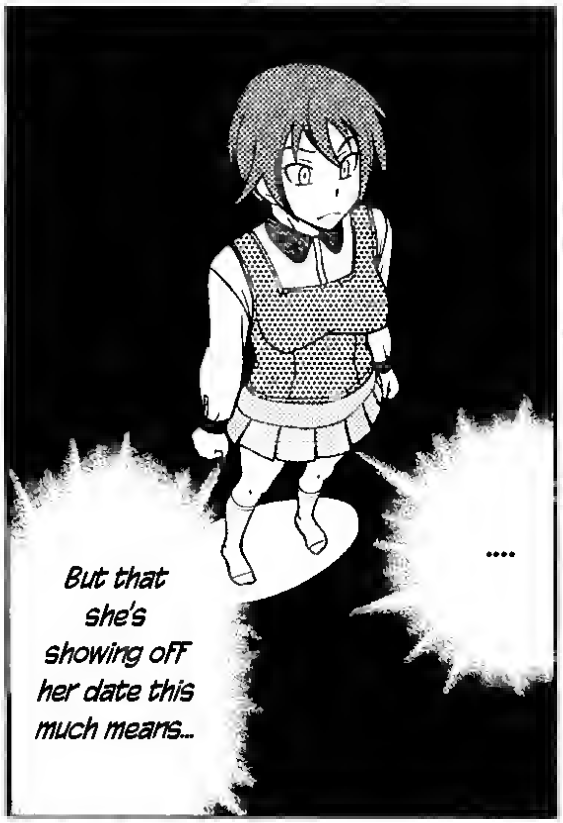
You didn't have to tie my hands together...
Can you really say that I'm around...?
When even Isokawa's around...
Hahhh... Doing that kind of stuff in front of others...



But that she's showing off her date this much means...

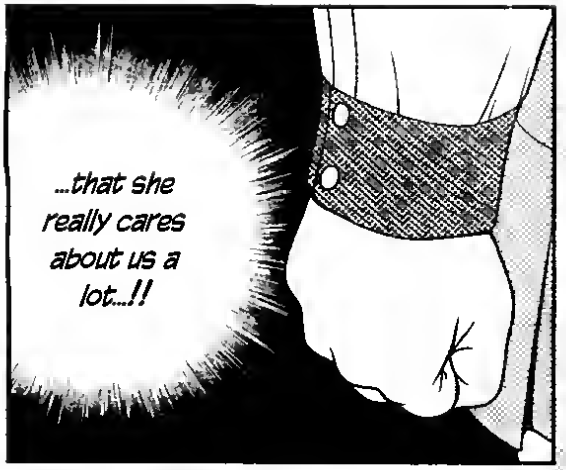
I don't think we're more than little stones by the roadside.
I rather think all she can see is Wataru.



...that she really cares about us a lot...!!

Ougi Tamayo.
Wataru!
Daughter of the Ougi Group, one of Japan's most prominent zaibatsu and a returnee who has studied in France.
Excellent grades, outstanding reflexes, good at cooking, all kinds of housework are her speciality, a perfect superwoman.
EVER SINCE THESE GIRLS HAVE APPEARED, MY DAILY LIFE HAS CHANGED.

I have to go somewhere today, so I can't go home with you.

Daughter of Aikyou Cosmetics, the country's top cosmetics maker. Her mother is the former top-model Aoike Sato.
She's started modeling, too and while her mother wants her to work exclusively for Aikyou Cosmetics, she doesn't feel like doing so.

I'm wearing short pants ♡
Stop with that Yankee pose. I can see everything...

Why don't you go wrestling with them?
They gave me the ones I wore at the shooting. What do you think?

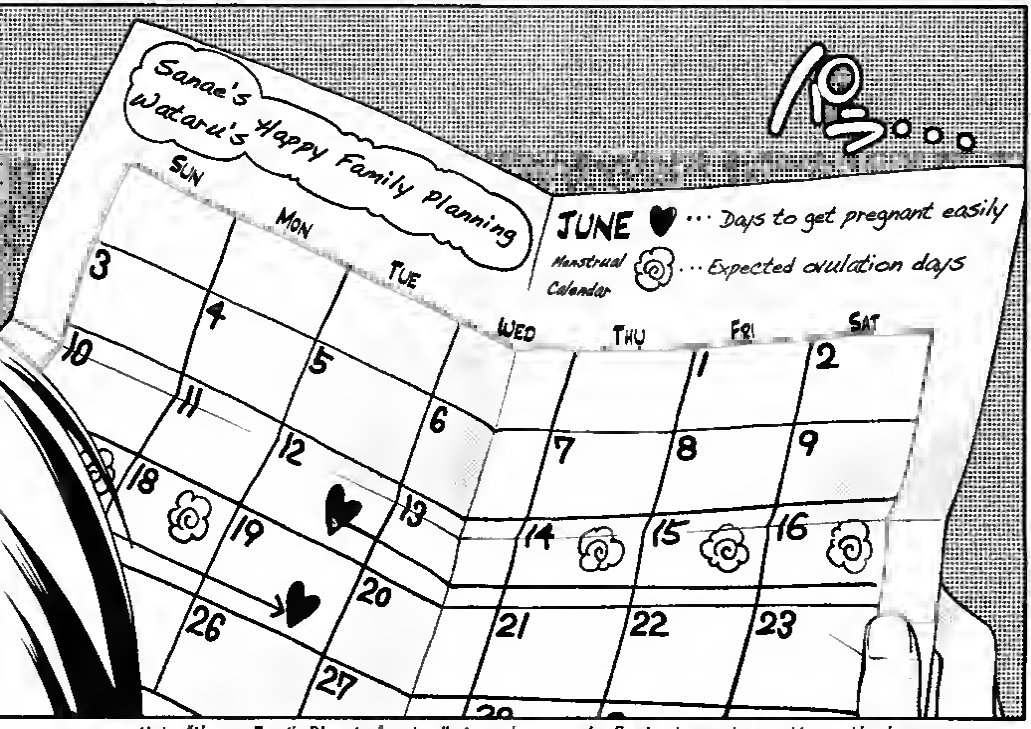
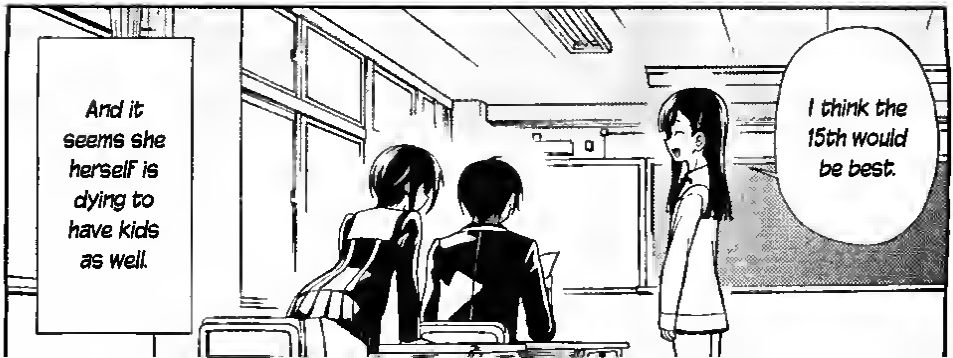
Mayuzumi Sanae.
Wataru!
The only daughter of the famous and prestigious Mayuzumi family. She alone carries a whole family's desire for an heir.
While she has the innocent looks of an elementary school kid, she holds herculean powers beyond imagination.



Note: "Happy Family Planning" actually is a slang word referring to contraceptive methods...



Ahhh
...
You've been sighing an awful lot lately.
There's nothing else for me to do.
Is it still about those three uninvited fiancées?

Well... I've seen the specialities they have and I do think they're nice girls...
So, how is it now after you've gone on dates with all three of them? Has anything changed?
Mhh... Well I've had a decision from the beginning though.
But you can't decide anything after only two months?
You want me to continue with this situation until I graduate?
Why don't you test them till the deadline?
Huh, so you mean you won't choose any of them? But they're such fine young ladies.
Then that means you're choosing Kurebayashi?

Why would that lead me to Tomo?
Stop spitting nonsense.
Satoru, you...

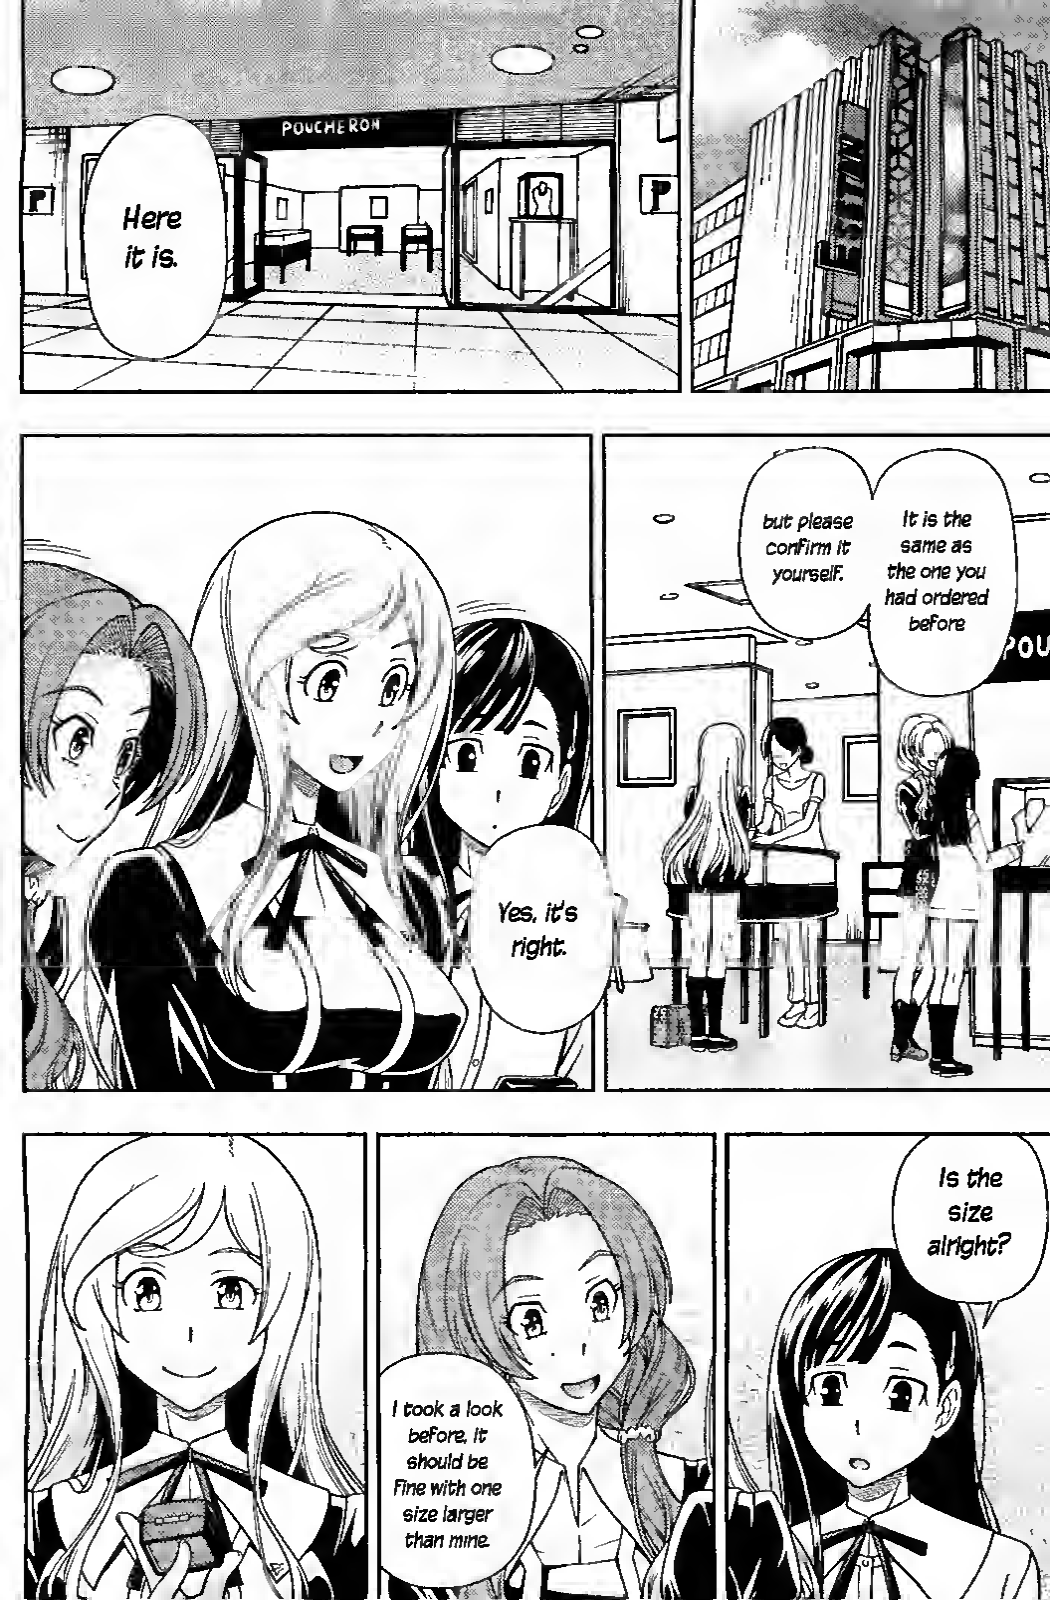
Why don't you go on a date with Kurebayashi, too?
Don't talk about marriage hunting
You guys.. Can't you think of this as other people's business?
It really is other people's business.
And the two of you've never been on a date that really felt like one, right?
And wouldn't it be more like marriage hunting and fun to turn it into a round-robin?
In any case, you'll have to tell those wooing girls what your intentions are.



POUCHERON
Here it is.
Yes, it's right.
but please confirm it yourself.

I went to Karaoke with Fubuki and the others.
What about you? Weren't you with Ougi and her people...?
I see.
How were the dates with those girls? Did you have fun?
Huh, why are you asking that?
Yeah?
Say, Wataru.

It should be ok if I ask though...?
I'm not angry!
I didn't say that, what are you so angry about?
